Amazing Facts Bible Reading Plan

We hope the special features of this Bible Reading Plan will make it easy and fun for you to achieve your goal of reading through the entire Bible this year. Here are a few things to keep in mind:

- ❖ Although the plan is created with January as the first month in which to begin reading, you may begin at any time during the year.
- ❖ Each month's readings are based on 25 days worth of readings. This makes your goal seem more reachable because it provides several "free days" each month, during which you can catch up if you ever fall behind.
- ❖ You'll notice that the plan starts in four different books at once: Genesis, Psalms, Matthew, and Acts. This means that each day's readings will include portions of both the Old and New Testaments, which will reinforce the incredible unity of the Scriptures. And perhaps most importantly, you'll be able to focus daily on the life of Jesus by reading a portion of one of the Gospels every single day of the year.

May God bless you as you open His precious Word each day and pray for His guidance in your study. It is our desire that by beholding the Lord through the Scriptures, you will become increasingly changed into His likeness.

"For the Word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart."
